

**Washington Arlington Catholic Forensic League**  
**Student Congress Metropolitan Championship Final Tournament**  
**March 17 & March 18, 2017 @ Loudoun County High School**  
**(415 Dry Mill Road Southwest, Leesburg, VA 20175)**

Following are instructions for registering qualified students for Student Congress Metro Finals on Friday-Saturday, March 17 - 18 at Loudoun County High School (415 Dry Mill Road Southwest, Leesburg, VA 20175).

**Please adhere to deadlines** and other instructions carefully. In order to ensure that students have a reasonable amount of time to prepare for Metro Final competition; **exceptions to this schedule or deadlines cannot be made.**

**REGISTRATION INFORMATION – ALL INFORMATION INCLUDING LEGISLATION MUST BE SUBMITTED BY THE COACH. STUDENTS CAN NOT SUBMIT LEGISLATION DIRECTLY.**

1. Registration will require three steps: (1) Each qualified student must be entered by the coach into the tournament on tabroom.com. The appropriate number of qualified judges must also be entered by the coach into the tournament on tabroom.com. (2) Each qualified student must submit one piece of legislation for use in the six preliminary rounds of the Metro Final tournament. (3) In addition, each school must submit one piece of legislation to be considered during the Metro Final Championship rounds.

Please submit legislation to Duane Hyland as a **Microsoft Word document via e-mail** ([CongressVP@WACFL.org](mailto:CongressVP@WACFL.org)) **no later than 7pm eastern on Saturday, February 25th.**

**All THREE steps above MUST BE COMPLETED BY THE DEADLINE in order for your students to be registered.** Please ensure that your student's name and your school name are on the legislation. Only your school name should appear on the school legislation for the Metro Final Championship rounds.

Judge Requirements. You will need one (1) judge (with experience judging at least **two** (2) WACFL Student Congresses) for every **five** (5) students or fraction thereof. Each school must designate a judge to be available for the Metro Final Championship rounds, **even if no students from that school qualify for those rounds.**

2. Legislation may be on any topic of the student's choice. However, frivolous legislation, whether frivolous in topic choice or in treatment of a topic, will not be considered. In addition, **poorly written and incorrectly formatted legislation will not be selected.** Please make sure you examine the sample bill and resolution found on the WACFL website for the proper format. Also make sure your legislation contains the proper numbering. When there are duplicate topics, the best legislation will be selected for consideration at the Metro Final tournament.
3. Metro Finals legislation will be posted on the WACFL website no later than Saturday, March 4th.
4. Call-ups, if any, for the Metro Final tournament will begin February 25th. There will be no call-ups for a house for which 30 speakers have already registered.
5. Drop deadline for students is **Friday, March 10<sup>th</sup> at 9:00pm.** Any drop reported after that date **does not** relieve a school of judging obligations nor of Metro Final entry fees.

**Eligibility to Participate in WACFL Student Congress Metropolitan Championship Finals.** There are several ways a student is eligible to compete in the Championship Finals. These are detailed in the By-Laws and summarized here. Qualifications to MetroFinals are earned by:

6. **Three speeches** are required during the six preliminary rounds in order to qualify for either the Metro Final round or for the NCFL Grand National Tournament.

Resolution #657

Title

- 1       Whereas:     State the current problem (this needs to be accomplished  
2                    in one brief sentence); and
- 3       Whereas:     Describe the scope of the problem cited in the first  
4                    whereas clause (this clause needs to flow logically from  
5                    from the first); and
- 6       Whereas:     Explain the impact of or the harms perpetuated by the  
7                    current problem (once again, the clause needs to flow in  
8                    a logical sequence).
- 9       Therefore:    Be it resolved by this Student Congress here assembled  
10                    that: state your recommendation for dealing with the  
11                    problem (the resolution should be a clear call for action).

Respectfully submitted,

Maryland High School
