Dominion High School**

Dear WACFL Coaches,

This note provides all the information you will need to participate in the Washington Arlington Catholic Forensic League's Lincoln-Douglas Debate Metropolitan Championship Final Tournament. Please read this information carefully because it details the Registration Procedures for the Tournament and the Rules that we will be following during the Tournament. The rules and procedures discussed are detailed in the WACFL By-Laws. If you have any questions about this information, please call Ann Marie Phillips at **(202) 297-0713** or email **annybird@gmail.com**.

**Registration Fees for Participation in the WACFL Lincoln-Douglas Debate Metropolitan Championship Finals.** Regardless of the 'Dues Plan' each School has selected to join WACFL, each school must pay \$10 per student entered into the tournament. Registration Fees are due to WACFL at On-Site Registration on Friday afternoon.

## **Eligibility**

**Eligibility to Participate in WACFL Lincoln-Douglas Debate Metropolitan Championship Finals.** There are several ways a student is eligible to compete in the Championship Finals. These are detailed in the By-Laws and summarized here. A List of Qualified Students is on the web site noting all those whom the League's records indicate are eligible to compete. Students must compete in the 'Highest' Division in which they have Qualified during the year. The attached listing does not show a 'lower' division (Junior Varsity) qualification if a 'higher' division (Varsity) qualification has been earned. If you believe there is an error on this list, please call Ann Marie Phillips. *Please remember that there is NO Novice Metro-Finals.*

Qualifications to MetroFinals are earned by: (1) being a Varsity or Junior Varsity Medal Winner at a WACFL L-D Debate Preliminary Tournament or being announced as an Additional Qualifier at a WACFL L-D Debate Preliminary Tournament; (2) achieving at least a 3-1 Record at two WACFL L-D Debate Preliminary Tournaments (note: students are qualified to compete at Finals in the division the two 3-1 records were achieved); and (3) achieving first place in the Novice Division at any of the tournament throughout the year (note: these students are qualified to Junior Varsity Metro-Finals).

In addition, one student in the Junior Varsity division will be selected by the Vice-President to potentially compete in the Varsity Division to avoid a BYE in the Varsity Division. This student will be invited to attend the Varsity Championship Tournament on a Stand-By basis. If, and only if, at the close of On-Site Registration on Friday afternoon, an uneven number of entries exists in the Varsity division, the Stand-By debater will be entered into the Varsity tournament. This one entry will not require additional judges to be provided by the school and will have the rights and privileges of all Varsity debaters once the tournament begins, including the ability to earn a qualification for NCFL Grand Nationals. The Vice-President will arrange this Stand-By Debater by March 1st.

## **Judging Requirements**

**Judging Requirements at WACFL Lincoln-Douglas Debate Metropolitan Championship Finals.** Every school that enters debaters must provide a full complement of **EXPERIENCED, QUALIFIED** judges. **If a school is entering any Varsity Debaters, then all of that school's judges must be 'Varsity Qualified.'** A judge is considered 'Varsity Qualified' if the judge has judged in at least one WACFL Preliminary Lincoln-Douglas Debate Tournament at the Varsity level in the current year or were an L-D Debater in WACFL in the past, but is more than one year out of high school. Judges considered 'JV Qualified Only' must have judged in at least one WACFL Preliminary Lincoln-Douglas Debate Tournament in the current year.

**In the Varsity Divisions, One Judge for Every Two Students or portion thereof is required and in the Junior Varsity Division, One Judge for Every Four Students or portion thereof is required for your school's entry.**

In the Varsity Division, two judges will judge each round and final rankings are based on total Wins and Losses. In the Junior Varsity Division, one judge will judge each round. Three judges will judge all Elimination Rounds.

Please remind all your judges that in WACFL L-D Debate Tournaments, they are not to disclose their decisions to the debaters nor are they to give oral critiques. They should write full and constructive ballots.

### **Pairing Procedures for WACFL Lincoln-Douglas Debate Metropolitan Championship Finals.**

*In Varsity*, two 'Divisions' of Varsity are held simultaneously: a Division of Arlington Varsity and a Division of Washington Varsity. Arlington Debaters will not debate Washington Debaters during the 6 Preliminary Rounds of Diocesan Competition. Based on these 6 Rounds the Qualifiers for NCFL Grand Nationals are determined – six (6) from the Arlington Diocese, and six (6) from the Washington Archdiocese. Varsity Elimination Rounds determine the WACFL Champions and do not count for, nor impact on, the qualifications for NCFL Grand Nationals. The Number 1 Seed from Arlington will debate the Number 2 Seed from Washington in Semi-Finals and the Number 2 Seed from Arlington will debate the Number 1 Seed from Washington in Semi-Finals. The winners of the two Semi-Final Rounds will debate in the Final Round to determine the WACFL L-D Debate Champion.

If there are fewer than 7 debaters in a division, the tournament will follow a Round-Robin format with all debaters hitting each other. The best win/loss record determines the winner with ties broken by head-to-head competition.

If more than 7 debaters compete in a division, a tournament requiring power pairing will be held as follows: (1) in Rounds 1 and 2 pairings are random with no debater meeting a second time, and no school hitting school; (2) Round 2 will follow side constraints; (3) Rounds 3 and 4 are power paired, each high-high, with no debater meeting a second time. (Note: If more than 14 debaters are entered in the division, no school will debate itself in either round. If fewer than 14 debaters are entered in the division, then a school may debate itself in both rounds); (4) Round 4 will follow side constraints; (5) Rounds 5 and 6 are power paired, each high-high, with no debater meeting a second time (Note: A school may be paired against itself if power demands regardless of the number of entries. Side constraints may be broken in Round 6 if power pairing requires it. (In this case, sides are determined by a coin flip in the rounds).

*When a School is Paired against Itself.* The pairing will be shown to one coach from each school in a group meeting of all coaches in the division in which the school-hit-school round is taking place. The pairing will indicate side constraints, if any, opponents, and each debater's wins/losses and speaker points. Coaches will have 10 minutes to determine how they will handle School Debating School Rounds. They may have the students debate the round and have the ballots awarded by the judges. They may award one or both ballots to either debater and not hold the round, in which case Speaker Points will be averaged across the entire tournament for these ballots. Coaches are **not to divulge the records** of debaters from any other schools to their

school's team.

*In Junior Varsity* the Pairing Procedures are the same as those of the Varsity Division, except that Arlington Diocese debaters may debate Washington Archdiocese debaters throughout the tournament. Also, students from the same school may not be paired against each other. Elimination Rounds begin with Quarter-Finals and are made up of the top 8 seeded debaters at the end of the 6 preliminary rounds. Entries in the JV Division are not eligible to qualify for NCFL Grand Nationals.
